Head Protection

CE

Sports working cap large

See from bottom

shell and foam spacer

Sports working cap medium

- Designed for light protection against bumping or scraping with ABS shell and foam spacer
- Light weight fashionable item of work wear
- Ventilation holes provides users comfortable feelings

Bump Caps

- Moulded from high density polyethylene
- Cool and lightweight : comfortable
- Smooth surface easy to clean
- Application in pest control, meter reading, food beverage processing, meat packing, and auto repair.

HEAD PROTECTION

► Advance Cap Vented

Features :

- Made of pe shell
- Vented version for improved air circulation
- Lightweight design for added comfort
- Lateral contours above the ear for easy integration of hearing protection
- Color : white, blue, yellow, red, green
- ANSI Z89.1
- 6-Point fastrac suspension

► Topgard

Features :

- Lightweight
- Good dielectric properties (class e and g)
- Single rib design
- Made of polycarbonate
- ANSI Z89.1
- Color: white, yellow gray, blue, orange, green, red, and bright orange

► Chin Strap Elastic

Features :

- Suitable for outdoor work
- Wide brim for shade
- Neck flap to prevent sunburn
- Suits MSA advance, coolgard, elite and V-gard

► Thermalgard

Features :

- Lightweight
- Good elevated temperature capability
- Rigid design
- ANSI Z89.1
- Provide slots for mounting hearing protection muffs, welding shields, and faceshields

► Fire Helmet

Features :

- High temperature injection moulded helmet shell
- Integrated safety eye screen
- 9% gold coating or transparent spherical shaped face shield
- Very comfortable leather headband
- EN 443

► Skullgard

Features :

- Heavy-duty construction
- Use in steel mills and heavy industry
- Color: natural tan, white, yellow, red, green, gray, blue, and orange
- ANSI Z89.1

HEAD PROTECTION

► Head Protection

PR-27 HC71 Safety helmet red

- Shorter peak for improved visibility
- ABS plastic shell
- 6 point nylon webbing headgear
- Moulded slots accepts all protector accessories
- Color : white, yellow, blue, green, and red
- AS/NZS 1801

► Head Protection

PR-11 HC53 Safety helmet

- Yellow
- ABS plastic shell
- Robust and comfortable molded one piece headgear
- Moulded slots accepts for accessories
- Color: white, yellow, blue, green, and red
- AS/NZS 1801

HEAD PROTECTION

F2 X- TREM

Features :

- Rescue helmet for high angle rescue in mountain environments, natural disaster rescue operations, and forest work operations following storms
- EN 12492

Crash Fire Rescue

Features :

- Easy to don and doff, this CFR system is compliant with NFPA 1976-2000
- Designed and approved for use with the metro 660C
- Components consist of an aluminized PBI/kevlar layer, vapor barrier, and inner layer

S- CAP

Features :

- Escape hood
- To protect persons endangered by smoke and gasses generated by fire
- En 403 : 2004
- Application for highrise building
- Available in wall box

Rescue Set In Pouch

MD-282 Rescue set in pouch

- With constant air flow to save people out of dangerous atmospheres
- Connects to second medium pressure connection of BA set
- Flame retardant material for pouch and hood
- Easy to apply : simple neck lace
